

# Outdoor Heritage Fund Grant Application

The purpose of the North Dakota Outdoor Heritage Fund is to provide funding to state agencies, tribal governments, political subdivisions, and nonprofit organizations, with higher priority given to projects that enhance conservation practices in this state by:

**Directive A.** Providing access to private and public lands for sportsmen, including projects that create fish and wildlife habitat and provide access for sportsmen;

**Directive B.** Improving, maintaining and restoring water quality, soil conditions, plant diversity, animal systems and by supporting other practices of stewardship to enhance farming and ranching;

**Directive C.** Developing, enhancing, conserving and restoring wildlife and fish habitat on private and public lands; and

**Directive D.** Conserving natural areas and creating other areas for recreation through the establishment and development of parks and other recreation areas.

## Exemptions

Outdoor Heritage Fund grants may not be used to finance the following:

- A. Litigation;
- B. Lobbying activities;
- C. Any activity that would interfere, disrupt, or prevent activities associated with surface coal mining operations; sand, gravel, or scoria extraction activities; oil and gas operations; or other energy facility or infrastructure development;
- D. The acquisition of land or to encumber any land for a term longer than twenty years; or
- E. Projects outside this state or projects that are beyond the scope of defined activities that fulfill the purposes of Chapter 54-17.8 of the North Dakota Century Code.

## NO CONSIDERATION:

In addition to those specific items in law that are ineligible for funding, in the absence of a finding of exceptional circumstances by the Industrial Commission, the following projects will NOT receive consideration for funding:

- A completed project or project commenced before the grant application is submitted;
- A feasibility or research study;
- Maintenance costs;
- A paving project for a road or parking lot;
- A swimming pool or aquatic park;
- Personal property that is not affixed to the land;
- Playground equipment, except that grant funds may be provided for up to 25% of the cost of the equipment not exceeding \$10,000 per project and all playground equipment grants may not exceed 5% of the total grants per year (see Budget Form for how this will be calculated);
- Staffing or outside consultants except for costs for staffing or an outside consultant to design and implement an approved project based on the documented need of the applicant and the expenditures may not exceed 5% of the grant to a grantee if the grant exceeds \$250,000 and expenditures may not exceed 10% of the grant to a grantee if the grant is \$250,000 or less (see Budget Form for how this will be calculated);

- A building except for a building that is included as part of a comprehensive conservation plan for a new or expanded recreational project (see Budget Form for definition of comprehensive conservation plan and new or expanded recreational project); or
- A project in which the applicant is not directly involved in the execution and completion of the project.

## **Application Deadline**

Applications for this grant round cycle are due on **March 1, 2016 at 5:00 p.m. CT.** All information, including attachments, must be submitted by that date. See instructions below for submission information.

## **Instructions**

Please download this Word document (available on the Industrial Commission/Outdoor Heritage Fund Program website at <http://www.nd.gov/ndic/outdoor-infopage.htm> ) to your computer and provide the information as requested. You are not limited to the spacing provided except in those instances where there is a limit on the number of words. After completing the application, save it and attach it to an e-mail and send it to [outdoorheritage@nd.gov](mailto:outdoorheritage@nd.gov) or print it and mail it to the address noted in the next paragraph.

Attachments in support of your application may be sent by mail to North Dakota Industrial Commission, ATTN: Outdoor Heritage Fund Program, State Capitol – Fourteenth Floor, 600 East Boulevard Ave. Dept. 405, Bismarck, ND 58505 or by e-mail to [outdoorheritage@nd.gov](mailto:outdoorheritage@nd.gov). The application and all attachments must be received or postmarked by the application deadline. You will be sent a confirmation by e-mail of receipt of your application.

You may submit your application at any time prior to the application deadline. Early submission is appreciated and encouraged to allow adequate time to review your application and ensure that all required information has been included. Incomplete applications may not be considered for funding. **Any item noted with an \* is required.**

**Oral Presentation.** Please note that you will be given an opportunity to make a ten-minute Oral Presentation at a meeting of the Outdoor Heritage Fund Advisory Board. These presentations are strongly encouraged.

**Open Record.** Please note that your application and any attachments will be open records as defined by law and will be posted on the Industrial Commission/Outdoor Heritage Fund website.

**MAJOR Directive: (select the Directive that best describes your grant request)\***

Choose only one response

**Directive A.** Providing access to private and public lands for sportsmen, including projects that create fish and wildlife habitat and provide access for sportsmen;

**Directive B.** Improving, maintaining and restoring water quality, soil conditions, plant diversity, animal systems and by supporting other practices of stewardship to enhance farming and ranching;

**Directive C.** Developing, enhancing, conserving and restoring wildlife and fish habitat on private and public lands; and

**Directive D.** Conserving natural areas and creating other areas for recreation through the establishment and development of parks and other recreation areas.

**Additional Directive: (select the directives that also apply to the grant application purpose)\***

Choose all that apply

**Directive A.** Providing access to private and public lands for sportsmen, including projects that create fish and wildlife habitat and provide access for sportsmen;

**Directive B.** Improving, maintaining and restoring water quality, soil conditions, plant diversity, animal systems and by supporting other practices of stewardship to enhance farming and ranching;

**Directive C.** Developing, enhancing, conserving and restoring wildlife and fish habitat on private and public lands; and

**Directive D.** Conserving natural areas and creating other areas for recreation through the establishment and development of parks and other recreation areas.

**Type of organization: (select the category that describes your organization)\***

State Agency

Political Subdivision

Tribal Entity

Tax-exempt, nonprofit corporation.

**Project Name\* Turtle Mountain Chippewa Fishing Dock Project**

**Abstract/Executive Summary.** An Executive Summary of the project stating its objectives, expected results, duration, total project costs and participants.\* (no more than 500 words)

*The overall Goal of the Turtle Mountain Band of Chippewa's proposed ND Outdoor Heritage Project application is to install three (3) commercial grade Fishing Docks at the Belcourt Lake Park Recreational Area.*

The total cost of the project is \$70,000 with a request of \$50,000 from the ND Outdoor Heritage Fund with the tribe committing a \$20,000 cash match.

The tribal Natural Resources Department will oversee the purchase, construction and continual maintenance of the Fishing Docks.

**Project Duration:\* 6 months**

**Amount of Grant request \$ \* \$50,000**

**Total Project Costs \$\* \$70,000**

(Note that in-kind and indirect costs can be used for matching funds)

**A minimum of 25% Match Funding is required. Amount of Matching Funds \$\* \$20,000**

Please indicate if the matching funds will be in-kind, indirect or cash.

Combination of cash and in-kind support.

**Source(s) of Matching Funds\*** Tribal Historic Preservation Funds

Please provide verification that these matching funds are available for your project. Note that effective as of July 1, 2015 no State General Fund dollars can be used for a match unless funding was legislatively appropriated for that purpose.

**Certifications \***

Ox I certify that this application has been made with the support of the governing body and chief executive of my organization.

Ox I certify that if awarded grant funding none of the funding will be used for any of the exemptions noted on Page 1 of this application.

**Narrative**

**Organization Information – Briefly summarize your organization’s history, mission, current programs and activities. \***

Include an overview of your organizational structure, including board, staff and volunteer involvement. (no more than 300 words)

The Department of Natural Resources of the Turtle Mountain Band of Chippewa (<http://tmdnr.webs.com/>) manages the wildlife and fish, bison, parks and recreation, agricultural, and other natural and cultural resources on Turtle Mountain tribal lands. The Department maintains a full-time staff of 10 individuals; and partners with local training programs such as Summer Youth, Adult Workforce Training, and Experience Works to assist with projects during the summer months.

The TMBCI Historic Preservation Office is situated within the tribal Natural Resources Department. The Office advises federal and state agencies on the management of tribal historic properties and strives to preserve their tribe’s cultural and preservation programs.

**Purpose of Grant – Describe the proposed project identifying how the project will meet the specific directive(s) of the Outdoor Heritage Fund Program \***

Identify project goals, strategies and benefits and your timetable for implementation. Include information about the need for the project and whether there is urgency for funding. Please indicate if this is a new project or if it is replacing funding that is no longer available to your organization. Identify any innovative features or processes of your project. If your project includes tree/shrub/grass planting, please provide a planting plan describing the site design, planting methods, number of trees/shrubs by species and stock size, grass species and future maintenance. A statement certifying that the applicant will adhere to USDA-NRCS tree/shrub/grass planting specifications along with the name of the governmental entity designing the planting may be substituted for a planting plan. If your project includes Section 319 program funding, please provide, in detail, the specific best

management practices that will be implemented and the specific projects for which you are seeking funding. Please note that if your proposal provides funding to an individual, the names of the recipients must be reported to the Industrial Commission/Outdoor Heritage Fund. These names will be disclosed upon request.

The Turtle Mountain Band of Chippewa Indians (the Tribe) proposes to purchase and install three commercial Fishing Docks at the Belcourt Lake Park Area.

The Turtle Mountain Band of Chippewa has been actively enhancing local tribal Tourism efforts by adopting both a Comprehensive Land Use Plan and a Tribal Tourism Plan in 2009 and a Scenic Byway Plan in 2013.

Comprehensive Land Use Plan – the plan will guide the tribe’s land use planning efforts in relation to economic, social, and educational development.

Master Tourism Plan: the tribal Pathways to Prosperity injected approximately \$800,000 in Tourism Dollars to various Organizations for the promotion of tourism. The Sky Chief Park received \$30,000 to enhance the Park’s buffalo herd.

The mission of the Turtle Mountain Band of Chippewa Indians Master Tourism Plan is to capitalize on and preserve our natural, historical, cultural and recreational resources in a way that will increase tourism revenue. The vision is to become a premier tourist destination by increasing revenues, encouraging local involvement and investment, and continually improve our product to entice tourists to our community.

Scenic Byway Plan: adopted in 2009 to promote a tribal designated byway adjacent to and existing state byway – Highway 43.

### ***Goals, Strategies, Benefits and Timetable***

The Fishing Dock Equipment will be purchased from the local tribal manufacturing firm – CTI Metal Works. Metalworks built the fishing docks that are situated at the Gordon Lake and Jarvis Lake recreational areas, both located on the Turtle Mountain Chippewa Reservation.

Two (2) T-Shaped Dock Piers will be purchased. Each Pier will be comprised of one (1) 8’ x 28’ doc w/floor place deck section coupled with one (1) 6’ x 28’ walkway w/floor place section. One Dock will be situated at the west of the Belcourt Lake adjacent to the Boy Scout camp area. One will be situated east of the lake within the Belcourt Lake Park recreational area. The other will placed on the north end of the lake near the large spillway. All locations are favorable for fishing activity.

The Natural Resources employees several maintenance/grounds keeper(s) who have the capacity to install the Docks under the guidance of the dealer – CTI Metalworks - who have agreed to oversee construction on site. The Department has a commercial dozer and skidsteer that can ready the site for development.

The Turtle Mountain Tribe does not charge an entrance fee into the Belcourt Lake Park area. Fishing is free to tribal members and non-members can fish at a \$10.00 daily fee. Major benefits of the proposed commercial fishing dock project include:

1. Attract more local and off-reservation visitors to the Belcourt Lake Park recreational area.
2. Provide fishing and recreational opportunities for the handicapped.
3. Provide accessibility to the Belcourt Lake waterways.
4. Will enhance the Tribal Tourism Plan.
5. Provide additional safety to patrons using the lakes for swimming and fishing.

The Belcourt Lake has traditionally been a hub for recreational activities and once hosted a beachfront park with a fishing pier, roundhouse community arbor, and a playground. The Tribal Historic Preservation office has been an advocate for renewing interest in reviving the Belcourt Lake front property, which is owned and managed by the Tribe.

The Turtle Mountain Band of Chippewa Tribal Government fully supports the Tribal Historic Preservation Department's attempts to secure funding for Belcourt Lake Park Development. The Belcourt Lake will include opportunities for fishing, walking and nature trails, swimming and water sports, individual and group picnic facilities, and wildlife viewing opportunities -- as these may be developed carefully within the context of an integrated stewardship and management plan

Timeline:

- Site and ground work in June 2016
- Purchase of fishing docks in June, 2016.
- Installation of fishing docks in July, 2016
- Publication of project to local media in July, 2016

**Management of Project – Provide a description of how you will manage and oversee the project to ensure it is carried out on schedule and in a manner that best ensures its objectives will be met.\***

Include a brief background and work experience for those managing the project.

The Belcourt Lake Park community fishing docks will be maintained by the tribal Historic Preservation Office, who is delegated by tribal resolution to oversee the development of the Park. The Park personnel will, working collaborative with CTI Metal Works, will inspect each dock monthly to assure safety and accessibility to park patrons.

**Evaluation – Describe your plan to document progress and results. \***

How will you tell if the project is successful? Please be specific on the methods you will utilize to measure success. Note that regular reporting, final evaluation and expenditure reports will be required for every grant awarded.

The TMBCI Historic Preservation Officer compiles monthly progress reports and presents them to the Natural Resources Board on behalf of the Turtle Mountain Chippewa Tribal Council.

Major performance measures will include timely completion of construction schedule, partnership leveraging capacity, and numbers of patrons visiting the Park each year.

### Financial Information

**ATTACHMENT: Project Budget – Using the standard project budget format that is available on the website at <http://www.nd.gov/ndic/outdoor-infopage.htm> , please include a detailed total project budget that specifically outlines all the funds you are requesting. Note that a minimum of 25% match funding is required.\***

The project budget should identify all matching funds, funding sources and indicate whether the matching funds are in the form of cash or in-kind services. Effective July 1, 2015 no State General Fund dollars can be used for a match unless funding was legislatively appropriated for that purpose. As noted on the standard project budget format, certain values have been identified for in-kind services. Please utilize these values in identifying your matching funds. **NOTE: No indirect costs will be funded.**

TMBCI Belcourt Lake Fishing Dock Project  
Proposed 2016 Budget requested from North Dakota OHF

Project Expense	OHF Request	Applicant's Cash Match	Applicant's Match Share (In-Kind)	Other Sponsors Share
Fishing Docks (3)	\$45,000		\$	\$
Site/Ground Work		\$20,000	\$	\$
Installation Hardware	\$5,000			\$
<b>Total Project Costs</b>	<b>\$ 50,000</b>	<b>\$20,000</b>		

Ox I certify that a project budget will be sent to the Commission\*

**Sustainability – Indicate how the project will be funded or sustained in future years. \***

Include information on the sustainability of this project after all the funding from the Outdoor Heritage Fund has been expended and whether the sustainability will be in the form of ongoing management or additional funding from a different source.

Attached is a portfolio – Turtle Mountain Band of Chippewa Belcourt (Fish) Lake Park Development -- that highlights the tribe's efforts to develop the Belcourt Lake Park. This portfolio is distributed to various potential stakeholders who share our vision and who have the financial resources to assist.

This portfolio has been given to the USDA Rural Development Office and they fully support the Belcourt Lake Park development. USDA is encouraging the tribe to submit an application for the construction of the Educational Stewardship Lodge under the RD Community Facilities program. USDA is also supporting an application for a Skid Steer to be used for site work. The applications are expected to be reviewed in March of 2016.

The Otto Bremer Trust Foundation was emailed a portfolio and through phone conversation agreed to accept an application to support a commercial playground. The cost of playground is approximately \$60,000 delivered and installed. This application is was submitted on Oct 6, 2015. Mrs. Diane Benjamin, Senior Program Officer, plans to visit the site this spring, 2016.

The tribal Historic Preservation Program will sustain infrastructure improvements to the Belcourt Lake Park with organizational funds that is allocated to the program from various tribal, state and federal resources.

**Partial Funding – Indicate how the project will be affected if less funding is available than that requested. \***

Advocating for the Belcourt Lake Development Project, the tribal government has leveraged the support of a large number of local, tribal, and state agencies. It is a consensus that the restoration and continual management of the Belcourt Lake is critical as it is the tribe's largest natural resource. The lake has provided a beautiful habitat and nourished the Turtle Mountain Band of Chippewa people for many generations. It is critical that native youth are engaged in this development for long term growth and sustainability.

With this vision and Belcourt Lake development plan, the tribe anticipates leveraging the resources necessary to match the ND Outdoor Heritage Fund contribution.

**Partnership Recognition - If you are a successful recipient of Outdoor Heritage Fund dollars, how would you recognize the Outdoor Heritage Fund partnership? \* Please note it is a requirement that there be signage at the location of the project**

**acknowledging the funding from the Outdoor Heritage Fund if appropriate for your project.**

The TMBCI Historic Preservation Office has access to all local media such as the Turtle Mountain Times, Turtle Mountain Star, and KEYA-FM radio. The tribal government encourages the promotion of community driven projects that are beneficial to the tribe at large. This project will take advantage of this opportunity and will assure that the ND Outdoor Heritage Fund will receive recognition and promotional coverage in these media streams.

## **Scoring of Grants**

All applications will be scored by the Outdoor Heritage Fund Advisory Board after your ten-minute oral presentation. The ranking sheet(s) that will be used by the Board is available on the website at <http://www.nd.gov/ndic/outdoor-infopage.htm> .

## **Awarding of Grants\***

All decisions on requests will be reported to applicants no later than 30 days after Industrial Commission consideration. The Commission can set a limit on duration of an offer on each application or if there isn't a specific date indicated in the application for implementation of the project, then the applicant has until the next Outdoor Heritage Fund Advisory Board regular meeting to sign the contract and get the project underway or the commitment for funding will be terminated and the applicant may resubmit for funding. Applicants whose proposals have been approved will receive a contract outlining the terms and conditions of the grant. Please note the appropriate sample contract for your organization on the website at <http://www.nd.gov/ndic/outdoor-infopage.htm> that set forth the general provisions that will be included in any contract issued by the North Dakota Industrial Commission. Please indicate if you can meet all the provisions of the sample contract. If there are provisions in that contract that your organization is unable to meet, please indicate below what those provisions would be. \*

## **Responsibility of Recipient**

The recipient of any grant from the Industrial Commission must use the funds awarded for the specific purpose described in the grant application and in accordance with the contract. The recipient cannot use any of the funds for the purposes stated under Exemptions on the first page of this application.

If you have any questions about the application or have trouble submitting the application, please contact Karlene Fine at 701-328-3722 or [kfine@nd.gov](mailto:kfine@nd.gov)

# Thank You for Your Consideration

TMBCI Tribal Council 2015-2016

**From Back to Front Left to Right: Councilman Ted Henry, Lorne Jay, Charlie Bercier, Carson Belgarde, Patrick "PJ" Marcellais, Jim Baker, Chairman Richard W. McCloud, Elmer Davis Jr., and Lynn Gourneau**

# Purpose of the Grant

The Turtle Mountain Band of Chippewa Indians (the Tribe) proposes to construct a tribal Historic Preservation Stewardship Lodge that will be situated on the Belcourt Lake and serve as the administrative headquarters for assessing and developing the Belcourt Lake and promoting educational stewardship activities.

The Educational Stewardship Lodge will afford the tribe the following programmatic educational activities:

- **Educational Stewardship:** the Lodge will provide a unique environment to a continuum of related topics such as water, ecology, native plants, agricultural related disciplines, environmental science, and Chippewa tribal culture.
- **Fish and Wildlife Habitation and Instruction:** Seminars and presentations to the community, youth conservation efforts, hunter safety courses, etc.
- **Cultural Revitalization and Enhancement:** located adjacent to the community pavilion and future Pow Wow Arbor, the Lodge will host cultural events and seminars that evolve around taking care of Mother Earth teachings.

# Primary Conservation Partner

Tribal Youth Program  
Elaine Nadeau, Director  
P: 701-244-0208

## Programming Initiatives

- Youth Conservation
- Culture Activities
- Gardening
- Boys & Girls Club
- Education Support Programming

# The plan will highlight projected 1-3 year Implementation activities, including:

- Educational Programming including classroom instruction and outdoor experiential learning.
- Natural Science Fairs and Exhibits.
- Youth Conservation Camps.
- Fish and Wildlife Clubs.
- Youth hunter safety.
- Forestry management practices.
- Water safety and swimming lessons
- Presentations by career professionals in the fields of Natural Resources Management.
- Construction of an Environmental Stewardship Lodge to be used for classroom instruction and host historic preservation/youth focused- programming.
- Construction of Playground Equipment.
- Art and Culture Camps.
- Construction of Youth Pow Wow Arbor on Sky Chief Park grounds.
- Annual Youth Pow Wow hosted at Sky Chief Park with invites state-wide and regionally.

# Proposed Short Term Activities:

- Development of a strategic plan to guide the TMBCI Historic Preservation's Youth Initiative project for the next 1-3 years' with immediate implementation strategies. The plan will include program Vision and Mission Statement, goals, objectives, activities, timelines, budget, networking partners, and immediate implementation strategies.
- Development of a Funding Portfolio to disseminate among potential funders. The Portfolio will include basic core programming activities supported by pictures, graphs and charts.
- Networking with various local, regional, state and national offices directly serving natural resource conservation and cultural preservation activities, especially those set aside for tribal nations.
- Development of a web site to be used for project marketing and fund raising.

# Belcourt Lake Rejuvenation

- The Belcourt Lake has traditionally been a hub for recreational activities and once hosted a beachfront park with a fishing pier, roundhouse community arbor, and a playground. All amenities have since been removed due to age and dilapidation, and lack of community sponsorship due to limited resources. The Tribal Historic Preservation office has been an advocate for renewing interest in reviving the Belcourt Lake front property, which is owned and managed by the Tribe.
- The Turtle Mountain Band of Chippewa Tribal Government fully supports the development of the Historic Preservation Office's attempts to secure funding for the Stewardship Lodge. The Belcourt Lake will include opportunities for fishing, walking and nature trails, swimming and water sports, individual and group picnic facilities, and wildlife viewing opportunities -- as these may be developed carefully within the context of an integrated stewardship and management plan.

RESOLUTION NUMBER 15-01 OF THE TURTLE MOUNTAIN BAND OF CHIPPEWA INDIANS  
 COUNCIL OF THE TURTLE MOUNTAIN BAND OF CHIPPEWA INDIANS

WHEREAS the Turtle Mountain Band of Chippewa Indians, hereinafter referred to as the Tribe or an authorized Band of Indians acting under a valid Compact and Tribal Ordinance approved by the Secretary of the Interior on 11/16/99 and amendments thereto approved;

WHEREAS Article IV, Section 1 of the Tribal Compact Constitution and Bylaws empower the Tribal Council with the authority to represent the Band in its dealings with the Federal, State and local agencies and with private persons; and

WHEREAS the Tribal Historic Preservation Office expertise and resources are needed to plan and implement programs for the Belcourt Lake Watershed Management plan;

WHEREAS the Belcourt Lake was traditionally a hub for Tribe activities such as fishing, swimming, boating, water activities, wildlife observation, camp site and outdoor children's suspension, non-motorized, recreational, and other activities;

WHEREAS the Belcourt Lake and surrounding watershed are in need of infrastructure improvements to address environmental, historical and cultural concerns; and

Outdoor Heritage Fund - Fishing Dock Project**

Response to Questions:

- Turtle Mountain Band of Chippewa will purchase three (3) fishing piers/docks.
- The size of each pier is 5' x 36' and includes a pier and walkway section.
- The three piers will be placed on the Belcourt Lake Park watershed area. One (1) at Fish Lake Park, One (1) at Boy Scout Park, and one (1) on the North Side of the lake adjacent to the spillway.
- The attached Metalwork Bid includes raw material, labor, delivery and set up charges.
- The current boat shown on the map is old and dilapidated and needs to be replaced.
- The \$20,000 will be in the form of a Cash Match. The \$20,000 match includes the cost of pouring cement slabs to accommodate the fishing docks/piers. The tribal Historic Preservation Program will commit the \$20,000 immediately once Dock funds are secured.
