Work Completed during Period Covered by Report:

(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

On Tuesday September 30, 2014 a dedication and ribbon cutting ceremony was held for the **NEW Outdoor Community Fitness Park** at the Minot Family YMCA. All work has been completed and it is now open to the public for use.

This park offers recreational and fitness opportunities for the citizens of Minot free of charge. It is the only park in the southwest quadrant of the city. The Community Outdoor Fitness Park is designed to provide an outdoor environment that encourages Minot residents to exercise and play. It includes a playground, sports field, walking/jogging trail, 12 fitness stations, a game court and a picnic shelter all in an effort to provide recreational opportunities.

The Community Outdoor Fitness Park took advantage of the outdoor landscape by planting many North Dakota trees and shrubs, native perennials and grass. Over the years to come the trees will provide beauty, shelter and shade to the area. Friends and family have the opportunity to meet and spend time together in a wonderful setting.

The expected result of the Community Outdoor Fitness Park is full utilization of the park by the citizens of Minot enjoying its outdoor environment by walking on the trail, exercising on the fitness stations, having a family picnic at the picnic shelters and admiring the many new trees, shrubs and perennial flowers that are located throughout the park.
