Work Completed during Period Covered by Report:
(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

Staff has been working with two producers. We have two projects turned over to engineers to get a plan and also get an estimated cost of the project so that the producer can make a decision on whether they can move forward with the project. These proposed projects will probably get surveyed yet this fall and have design done over the winter.

No projects have been completed at this time.

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.
