Work Completed during Period Covered by Report:
(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

Working Grassland Partnership (WGP) grant is working with landowners during this status reporting period to access the remaining development activity remaining. Most landowners have the work plans ready for the final stages of their agreement. During this agreement period five agreements completed work on water developments and fencing for a total of \$105,435.70 (\$63,261.42 OHF and \$42,174.28 landowners).

During this status reporting period landowners have installed developments that included: 37,853 feet of fence, 1 solar water well and 2,340 feet of shallow pipeline.

The remaining WGP agreement anticipated completion by end of 2020.

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.
