Work Completed during Period Covered by Report:
(This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

Grant County submitted one application for payment during this time period. (See attached photos and documentation).

Fifteen applications were submitted and approved in the third batching period on January 24, 2018. To date five applications were contracted and two applications were cancelled since they received funding through the NRCS program, EQIP. Please see the three attached spreadsheets that shows the progress made in contracting submitted applications from each batching period.

Oliver, Morton and Grant County Soil Conservation District technicians have contributed over one-hundred and eighty-seven hours in the last three months to working with these producers to plan grazing systems, design pipelines and provide technical assistance to implement contracts.

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.
