Work Completed during Period Covered by Report:
 (This information will be posted on the Outdoor Heritage Fund/Industrial Commission website)

The North Dakota Grassland Restoration Project created a partnership between OHF, Trust, USFWS Partners Program and Landowners to work together to plant grass throughout North Dakota. Since the OHF grant award was received the Trust and USFWS have promoted and communicated with landowners about the benefits of this project.

This project has entered into four landowner agreements in Bottineau, Benson and LaMoure Counties. During the spring of 2019 two of these agreements in Bottineau and Benson Counties were completed. The landowners planted a total of 192.2 acres.

The majority of the work will be completed in spring of 2020.

Agreement	County	Acres Seeded	PLOTS?
1-19	Bottineau	110	No
2-19	Benson	82.2	No

Photos of work completed are welcome (If appropriate, please submit photos of key elements of the project completed or in progress during reporting period) Do not exceed five photos per project report.

This report was prepared pursuant to an agreement with the Industrial Commission of North Dakota, which partially funded the project through the Outdoor Heritage Fund. Project participants, its subcontractors, and the Industrial Commission of North Dakota, or any person acting on its behalf, do not:

- (A) *Make any warranty or representation, express or implied, with respect to the accuracy, completeness, or usefulness of the information contained in this report, or that the use of any information, apparatus, method, or process disclosed in this report may not infringe privately-owned rights; or*
- (B) *Assume any liabilities with respect to the use of, or for damages resulting from the use of, any information, apparatus, method or process disclosed in this report.*

Reference herein to any specific commercial product, process, or service by trade name, trademark, manufacturer, or otherwise, does not necessarily constitute or imply its endorsement, recommendation, or favoring by the Industrial Commission of North Dakota. The views and opinions of authors expressed herein do not necessarily state or reflect those of the Industrial Commission of North Dakota.
