# PRODUCER FORUMS

The North Dakota Insurance Department, in conjunction with the North Dakota Professional Insurance Agents, National Association of Insurance and Financial Advisors and Independent Insurance Agents of North Dakota, will again be conducting producer forums in numerous communities around North Dakota this year.

Both the forum agenda and PowerPoint presentations will be available online starting Oct. 8 on the Department's website at [www.nd.gov/ndins](http://www.nd.gov/ndins). Please note that as a cost-saving measure, we will not be providing printed copies of the forum agenda or PowerPoint presentations. We encourage you to bring your electronic devices or print your own copies to follow along with the presenters.

Also, as we prepare for the next legislative session, we hope to hear from you about important issues the industry is facing.

See you there!

Jon Godfread  
Insurance Commissioner
