Make the most of your Medicare.

If you are eligible for Medicare or have family members or friends who are, you should know about the North Dakota State Health Insurance Counseling (SHIC) program.

SHIC offers free and confidential help with Medicare and other health insurance. Trained counselors who work through local sponsoring organizations can help answer your questions. SHIC counselors have no connection with any insurance company or product.

SHIC counselors are trained in all aspects of senior insurance issues, such as Medicare, Medicare Part D, Medicare Advantage plans and long-term care insurance.
