The screenshot shows the Microsoft Office Live Meeting interface. At the top left is the logo with the text "Microsoft Office Live Meeting". A navigation bar contains links for "Sign in", "Download", "Support", and "Help". On the left side, there are menu sections: "My Home", "Meet" (with "Join Meeting" link), "Easy Assist" (with "Join Session" link), "View" (with "Recordings" link), and "Register" (with "Public Events" link). The main content area is titled "View Recording Info" and displays the following details: Recording Subject: Webinar Recording; Recording ID: CNH6SB; Organizer: Donna Pollard; Recorded On: Thursday, Jul 10, 2014 1:12 PM (EDT); Duration: 0:11. Below this, a bolded instruction states: "For best viewing experience, use Microsoft Office Live Meeting High\Fidelity Presentation format including video playback. Download size will be larger and may take longer time to download." A paragraph follows: "Use Microsoft Office Live Meeting Replay for quicker downloads. Installing Microsoft Office Live Meeting Replay Wrapper provides a rich way to view the recording for this format. You only need to download the Replay Wrapper once per computer. [Install Now](#)". A section titled "View And Download Recordings" contains a table with two rows. The first row is highlighted in orange and has a blue arrow pointing to its "View" icon. The second row is a standard white row. The table columns are "View", "Download", "Format", and "Available".
