

## ***NDPERS Transitional Enrollment May 9 – June 13, 2011!***

The transitional enrollment period is from **May 9, 2011 to June 13, 2011**. During the transitional open enrollment period, your children younger than age 26 may be enrolled in the NDPERS group health plan, even if they were never previously eligible to enroll, or were previously enrolled but lost coverage because of age or because they otherwise lost eligibility. This also includes married adult children but not the spouse or any grandchildren. If your adult child is eligible for or covered by another employer group plan, or covered by their spouse's employer group coverage, they are not eligible to be added to the NDPERS plan. **Please note that dental and vision enrollment is not available at this time and you need to wait till open enrollment 2012.**
