Thank you for your interest in the Wellness Benefit Program (WBP). This program offers benefits to help state agencies or political subdivisions provide work site health promotion activities to their employees. The Wellness Benefit Program is available to employer groups that participate in the NDPERS group health plan and participate in the Employer Based Wellness Discount Program. If an agency has more than one location, more than one program may be funded if the locations are geographically separate and if there is evidence of planning at each location. Two or more agencies/political subdivisions can submit a joint application.

Complete this application answering every question as completely as possible, using an extra sheet of paper if additional space is needed. Incomplete applications will be returned.
