"Caring For America's Heroes"

Providing High *Quality Long Term Care*

Situated on a picturesque piece of land in Lisbon, the North Dakota Veteran's Home stands as a tribute to North Dakota citizens who answered their country's call to arms. The Veteran's Home, once called the Old Soldiers Home, is located on a 90 acre wooded campus bordering the Sheyenne River.

Since 1893, the Veteran's Home has been providing high quality long term nursing care and basic care for honorably discharged veterans and their spouses. The Home has 38 skilled nursing home beds and 111 basic care beds. We are dedicated to the health and welfare of each individual resident. Warm, friendly and compassionate staff treat each resident with the dignity and respect they deserve.
