## Important Notice

### TFFR Benefit Recipients

On Friday, December 16, a duplicate TFFR monthly payroll file was processed in error by the Bank of ND. The error was promptly discovered, and the additional deposit has been reversed. TFFR benefit recipients should receive both a credit and debit in their bank accounts effective Monday, December 19. Some banks may process the reversal as part of their daily update, so retirees may not see the correction immediately. However, it will be effective December 19. Please be assured that the error has been corrected, and should not occur again due to procedures implemented by the Bank.

We sincerely apologize for any inconvenience this causes TFFR benefit recipients. If you have any questions, please contact the administrative office at 701-328-9885 or 1-800-952-2970.
