NOTE: Monthly returns and market values are preliminary and subject to change.

New asset class structure began October 1, 2011. Composite returns for new composites not available prior to that date.

Portfolios moved between asset classes will show historical returns in new position.

Effective July 1, 2013, net of fee returns are calculated on a cash basis in the month paid. Prior years were accrual based and split evenly over the 12 months of the fiscal year.

(1) Because each fund within the Pension Trust has a different policy allocation, the consolidated report reflects a weighted average of all of the funds' policy allocations.

(2) Epoch was included in the Large Cap Domestic Equity composite through 12/31/11.

(3) Prior to January 1, 2012, the benchmark was S&P 500.

(4) This benchmark was changed to the MSCI EAFE (unhedged) as of April 1, 2011.

(5) Prior to December 1, 2009, the benchmark was the Citigroup World Gov't Bond Index ex-US

(6) All limited partnership-type (and mutual funds as of 7/1/14) investment returns will only be reported net of fees, which is standard practice by the investment consultant.
