\$69,000	\$11,500	\$11,800	\$12,600	\$14,200	\$16,700	\$19,700	\$22,100
\$72,000	\$12,000	\$12,300	\$13,200	\$14,800	\$17,500	\$20,600	\$23,100

With the exception of refunds purchased within five years of eligibility and military service under USERRA, the cost to purchase service credit is calculated on an actuarial equivalent basis. The calculation takes into consideration age, service, salary, member tier, and the increase in benefit paid as a result of purchasing credit.
