This report must be returned to the North Dakota State Seed Department by October 1. FAILURE TO RETURN THIS REPORT WILL DISQUALIFY THE SEED FOR FINAL CERTIFICATION. In order for us to include your carry-over seed in our directory, we will need this form returned to us by October 1.

Report only seed that was grown and field inspected prior to the current crop year. Report only field inspected seed that has **not been** issued bulk certificates or certified tags on this side of the form. See reverse for previously labeled seed.

Seed that has been issued bulk sales certificates or certified tags, prior to July of the current year should **not** be reported on this form. All seed previously final certified must have an updated germination test and new bulk sales certificates or certified tags issued before seed is eligible for sale.
