Self-enroll in PeopleSoft by following these steps:

--Go to the Peoplesoft Portal at <https://www.connectnd.us/psp/ndrp/EMPLOYEE/EMPL/h/?tab=DEFAULT> and enter your **User ID** and **Password**.

--Under ELM Self Service Applications in the middle of the page, select **ELM SS Search Catalog**.

--Click in the **Search the Catalog** field and enter the course you are looking for.

--Click **Search Activities**.

--Click on the activity you are interested in and review the information given (date, cost, last day to drop without charge). For the time and location of the class, click on **Schedule**. Also click on **Notes and Attachments** if you are registering to attend Supervisory Management or Emotional Intelligence training.

--Click the **Enroll** button.

--Click the **Submit Enrollment** button. The next screen will state if you have been successfully enrolled or if you have been placed on the waitlist because the class is currently full.

--After enrolling, the supervisor (person who is listed in 'reports to' in PSoft) automatically receives notice for approval. It's important that the approver do so ASAP as some of these classes fill up fast. Someone who has enrolled after you but has received approval before you will get into the class first.

--If you decide to drop the course you have registered for, go to **ELM SS My Learning** and select the title of the course you want to drop. Then click on the **Drop** button. **Review Information** to see if there is a drop charge and click the **Drop** button.

If you do not have access to Peoplesoft, please contact your agency's training administrator.
