

"...excellent at staying on top of this issue and seeking out information they needed to make a final determination. Also, I found the solution to be innovative. Users will be able to share this solution as well as implement it on other workstations they logon to."

Bank of North Dakota

"ITD discovered the problem and had a solution before we even knew we had a problem. Kudos to the alert ITD staff."

Newburg-United 54

"Once again a very positive experience with ITD. No concerns, great time response. Thank you very much."

Grand Forks County - Social Services

"The information that I received from ITD made it available to get both the sites computers back on line. Thanks again."

Historical Society
Fort Totten

"Thank you for your prompt help in the matter. Everyone was willing to help and very friendly"

Facilities Management
Bismarck

"This employee knew exactly what was required to do the repair and brought exactly the right parts (not more - not less): doesn't get much better than that does it? "

Department of Human Services
Bismarck
