Instructions

North Dakota Century Code ch. 57-60 requires each coal beneficiation plant which improves the physical, environmental, or combustion qualities of coal by means other than crushing or treatment with dust suppressants or freeze-proofing agents to file a monthly report and remit a tax which is the greater of two separate calculations, one based on tons of beneficiated coal produced for the purpose of sale and one based on gross receipts. The report, with appropriate tax, is to be filed in the Office of State Tax Commissioner, 600 E. Boulevard Ave. Dept 127, Bismarck, North Dakota, 58505-0599 within twenty-five days after the end of the month for which it is made.

A separate report is required for each county in which a coal beneficiation plant is located. If two or more plants are located within the same county, a separate report is required for each plant.

Schedule A

Line 1: “ ‘Design capacity of a coal beneficiation plant’ means the number of tons a coal beneficiation plant is designed to produce as certified by a registered professional engineer.” N.D.C.C. § 57-60-01(6).

Line 4: Enter the number of days in the month for which the report is made (30, 31, 28, or 29)

Schedule B

Lines 1, 2, and 3: “ ‘Gross receipts’ means all revenue, valued in money, whether received in money or otherwise, derived by a coal conversion facility subject to the provisions of this chapter from the production of products of a coal conversion facility, but not including any revenue derived from transportation, transmission, distribution, or other events which occur after completion of the process of production of the products of the facility. For the purpose of computing the tax imposed by this chapter, ‘gross receipts’ does not include:

- a. Any financial assistance, whether in the form of price guarantee payments or otherwise, provided by the federal government or any agency of the federal government;
- b. Any revenue derived from the sale of byproducts as herein defined to a maximum of twenty percent of the gross receipts as defined in this subsection; “ N.D.C.C. § 57-60-01(7)
