

Purpose of form

Use this form to calculate and pay estimated North Dakota individual income tax. Individuals generally must pay their income tax in one of two ways—through the withholding of income tax from their paychecks or through the payment of estimated tax. If you receive earnings from self-employment, interest, dividends, rents, and other types of income not subject to withholding, you may have to pay estimated tax.

Who must pay estimated tax?

You must pay estimated North Dakota income tax for the 2011 tax year if all four of the following conditions apply:

1. You are required to pay estimated federal income tax for the 2011 tax year. This condition applies whether or not you actually make the required payment of estimated tax to the Internal Revenue Service.
2. Your net tax liability for the 2010 tax year was equal to or more than \$500.
Note: If you were not required to file a North Dakota income tax return for the 2010 tax year, your net tax liability for 2010 is zero for this purpose.
3. You expect to owe (after subtracting your estimated North Dakota income tax withholding) an amount equal to or more than \$500 for the 2011 tax year.
4. You expect your estimated North Dakota income tax withholding for the 2011 tax year to be less than the smaller of:
 - a. 90% of your net tax liability for the 2011 tax year.
 - b. 100% of your net tax liability for the 2010 tax year.

Note: If you moved into North Dakota during 2010 and had no income from North Dakota prior to the move, part b does not apply; you must satisfy the 90% threshold in part a.

How to determine your estimated tax

Complete the worksheet on page 2 to determine if you have to pay estimated tax for 2011. For line 1 of the worksheet, estimate your federal taxable income using the 2011 Form 1040-ES, the federal estimated tax form for individuals. See the instructions to the 2010 Form ND-1 for information on the adjustments on lines 2 and 4, and the credits on line 7, of the worksheet.

Married persons filing separate returns.

If you are married and plan to file separate federal and North Dakota income tax returns for the 2011 tax year, you and your spouse must make separate estimated tax payments based on your separate incomes. Each of you should obtain and complete Form ND-1ES to determine your separate estimated tax payments.

Payment amounts and due dates

In general, one-fourth (25%) of the total estimated tax that you are required to pay (from line 14 of the worksheet) must be paid by each of the following due dates:

- 1st installment April 15, 2011
- 2nd installment June 15, 2011
- 3rd installment September 15, 2011
- 4th installment January 15, 2012

The above due dates apply if your tax year is a calendar year—January 1 through December 31, 2011. However, if you file on a fiscal year basis, the installments are due on the 15th day of the 4th, 6th, and 9th months of the current tax year, and the 15th day of the 1st month of the following tax year. If any installment due date falls on a Saturday, Sunday, or legal holiday, the installment is not due until the next business day.

Farmers. If you qualify as a farmer for federal estimated income tax purposes for the 2011 tax year, you may pay your estimated tax according to the general rules explained above, or you may pay the full amount of your estimated tax due by January 15, 2012.

Note: Regardless of the option chosen, you have until the regular due date (generally, April 15, 2012) to file your 2011 North Dakota individual income tax return.

Note: The tax calculation in the worksheet (on page 2) does not take into account the 3-year elected farm income averaging on Schedule ND-1FA.

Part-year requirement. If you are a full-year nonresident or you changed your residence to North Dakota during the 2011 tax year, and you do not receive income from North Dakota sources until after the first installment due date (generally, April 15, 2011), you must pay the required estimated tax in equal payments over the remaining installment due dates following the receipt of income from North Dakota sources.

How and where to pay

You may pay your estimated tax by check or money order, or by credit card.

Check or money order

Complete the estimated tax payment voucher for the applicable installment and submit it along with your check or money order made payable to “ND State Tax Commissioner.” To ensure proper credit to your account, write your social security number and “2011 Form ND-1ES” on your check or money order. Mail your payment and voucher to:

Office of State Tax Commissioner
PO Box 5622
Bismarck, ND 58506-5622

Credit card

You may pay your estimated tax using your MasterCard®, American Express® Card, Discover® Card, or VISA® Card. The payment may be made by telephone or over the Internet through Link2Gov Corporation, a private credit card payment service provider. Link2Gov Corporation will charge a fee for its services—the State of North Dakota does not receive any part of the fee.

To pay by credit card, call toll free **1-888-ND-TAXES** (1-888-638-2937), or go online at **www.ndtaxpayment.com**.

If you pay by credit card, do not use the estimated tax payment vouchers attached to this form.

Underpayment or late payment interest

Interest may be charged if you do not pay enough estimated tax, or if you do not make the payment on time or in the required amount. This applies even if you have a refund on your 2011 North Dakota individual income tax return. Interest is calculated at the rate of 12% per year from the installment due date to the earlier of the date the estimated tax is paid or the regular due date of the return (generally, April 15, 2012).
