

Contractor Compliance Check List

Department of Transportation

Department of Transportation

1. State law requires the issuance of temporary motor vehicle registrations for out of state vehicles operated by individuals gainfully employed in the state of North Dakota. The temporary registration permits are issued for a six or twelve month period. Out of state vehicles requiring temporary registration include passenger, cars, pickups, vans, motorcycles, and trucks not registered in the International Registration Plan.
2. A temporary registration is required if the individual works here and owns, leases or rents a place of residence within North Dakota or otherwise remains in this state for a period of at least 90 consecutive days.
