

Give a gift to yourself and your community – contribute to the Housing Incentive Fund

The Housing Incentive Fund is a unique new way for you to get a state tax credit while also helping build housing in your community. By making a contribution to the fund, you earn a dollar-for-dollar credit against your state tax liability. Tax credits for contributions made before December 31 can be taken on your 2011 tax return.

Contributors can target their contributions to a specific project, community or area so your funds help in building affordable rental housing in your community.

To learn more about the Housing Incentive Fund tax credit, visit www.NDHousingIncentiveFund.org or call (701) 328-8080, (800) 292-8621, (800)366-6888 (TTY) or email to info@ndhfa.org.
