STATE OF NORTH DAKOTA
OFFICE OF STATE TAX COMMISSIONER
Cory Fong, Commissioner

Dear Taxpayer:

This letter contains information needed to submit your sales tax payment by ACH credit. This is the payment option you selected when you registered for North Dakota Sales Tax WebFile. *Before you may use the webfile system to file sales tax returns, you will need to submit an accurate ACH credit pre-notification to our office.*

An ACH Credit requires the Commissioner to provide bank routing and account information to you so that you may contact your financial institution to initiate an ACH credit payment.

Essential information must be provided with an ACH credit payment submitted to the Commissioner's financial institution to ensure the funds are applied correctly to a taxpayer's account. This information is provided in an addenda record which is part of the EFT transaction. The information provided in the addenda record will include the taxpayer identification number (sales tax permit number), tax type code, tax period end date, form type, and amount. Enclosed you will find the banking convention layout for the addenda record with an example provided. The Layout is provided using the banking standard TXP format. *Important: If an ACH credit payment applies to more than one sales tax return, one addendum for each return must be submitted with the ACH credit.*

The Commissioner utilizes the services of the Bank of North Dakota, which is a state owned bank. The ABA bank transit routing number for the Bank of North Dakota is **091300285**. The Commissioner's account number at the Bank of North Dakota, to which funds will be transferred, is **0910231**.

Important:

Please contact your financial institution as soon as possible to submit a pre-notification (i.e., \$0.00 ACH credit transaction) to test the accuracy of the TXP format. You will not be able to submit a sales and use tax return through the WebFile system until our office has received an accurate pre-notification from you.

Please contact the Compliance Section of the North Dakota Office of State Tax Commissioner if you have any questions at (701)328-1246, fax (701)328-0336, or e-mail salestax@nd.gov.
