INSTRUCTIONS

N.D.C.C. § 57-64-04. Levy reduction priority. In setting mill rates for qualified school districts, the county auditor shall apply funds allocated to a school district under this chapter for mill levy reduction first to reduce the number of mills levied for general fund purposes and, if allocation funds remain after the general fund mill rate is reduced to zero, the balance must be applied to reduce the high school tuition levy and, if allocation funds remain after the high school tuition levy is reduced to zero, then to reduce the high school transportation levy of the qualified school district.
