DEPARTMENT POLICIES**

SUBJECT: Conservatorships / Guardianships

POLICY NO:

DISTRIBUTION: Department Personnel

EFFECTIVE:

PAGE NO:

No employee, including the commissioner, shall serve as a conservator or guardian.

Exceptions to this policy fall under N.D.C.C. 30.1-27, Guardians of Minors and/or in family situations.

It is the position of the Administrative Committee on Veterans' Affairs that the Department of Veterans' Affairs not implement a conservatorship program, but instead, continue efforts to include such a program in the state's guardianship program.
