Basic Review Summary

We have reviewed the cash basis Annual Financial Report for the City of Edinburg for the year ended 2021. This review was done under the authority of North Dakota Century Code 54-10-14. These reviews are limited in scope and are not completed under the Auditing or Attestation standards issued by the American Institute of Certified Public Accountants.

This review was limited to verifying the following:

- Fund balances submitted on the Annual Financial Report agreed to the balances held at the bank.
- Long-term debt reported agrees to debt statements.
- Required fund breakouts are reported.

During the basic review, we identified that bank balances did agree to total balances reported on the Annual Financial Report.

Any comments from the Basic Review are included at the back of the report.

Comments Letter

Unallowable Transfer Out of Debt Service Fund (2021)

There were transfers out of a Debt Service Fund that were not done to close out the fund.

According to the Government Accounting Standards Board, the only transfers out of a Debt Service Fund should occur when closing out the fund.

Suggested Change:

The entity should not transfer out of a Debt Service Fund unless it is to close out the fund. In the future, any transfers should come from other allowable sources.
