Independent Auditor's Report

Members of the Legislative Assembly

Members of the North Dakota Dry Pea and Lentil Council

Mr. Kim Saueressig, Chairman, North Dakota Dry Pea and Lentil

Report on the Audit of the Financial Statement

Opinion

We have audited the accompanying Comparative Statement of Revenues and Expenditures of the North Dakota Dry Pea and Lentil Council Fund, for the two years ended June 30, 2022, and the related notes to the financial statement, as listed in the table of contents.

In our opinion, the accompanying financial statement referred to above present fairly, in all material respects, the revenues and expenditures for the North Dakota Dry Pea and Lentil Council Fund, for the two-year period ended June 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the North Dakota Dry Pea and Lentil Council and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statement presents only the North Dakota Dry Pea and Lentil Council Fund's revenues and expenditures, and does not purport to, and does not present fairly the financial position of the state of North Dakota as of June 30, 2022 and 2021, for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

As discussed in Note 1, the financial statement is presented and audited in accordance with North Dakota Century Code 4.1-44-04. This financial statement is not intended to be a complete presentation of the North Dakota Dry Pea and Lentil Council Fund's assets and liabilities. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of the North Dakota Dry Pea and Lentil Council's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by the Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 3, 2022 on our consideration of the North Dakota Dry Pea and Lentil Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the North Dakota Dry Pea and Lentil Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the North Dakota Dry Pea and Lentil Council's internal control over financial reporting and compliance.

Notes to the Financial Statement

NOTE 1 | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The responsibility for the financial statement, the internal control structure, and compliance with laws and regulations belongs to management of the North Dakota Dry Pea and Lentil Council. A summary of the significant accounting policies follows:

A. REPORTING ENTITY

For financial reporting purposes, the North Dakota Dry Pea and Lentil Council includes all funds, programs, and activities over which it is financially accountable. The North Dakota Dry Pea and Lentil Council does not have any component units as defined by the Government Accounting Standards Board. The North Dakota Dry Pea and Lentil Council is part of the state of North Dakota as a reporting entity.

The North Dakota Dry Pea and Lentil Council was established by North Dakota Century Code, section 4.1-07, and is responsible for funding research, education programs, and market development efforts. The North Dakota Dry Pea and Lentil Council may participate in programs under the auspices of the United States Dry Pea and Lentil Council. In addition, the North Dakota Dry Pea and Lentil Council shall develop and disseminate information regarding the purpose of the dry pea and lentil assessment and ways in which the assessment benefits dry pea and lentil producers. The North Dakota Dry Pea and Lentil Council receives its funding through an assessment of 1% of the net value of dry peas and lentils grown in the state or sold to a first purchaser. The North Dakota Dry Pea and Lentil Council operates on a continuing appropriation and received no funding from the State Legislature.

B. REPORTING STRUCTURE

The financial statement includes all activities of the reporting entity as defined above. These activities are funded from North Dakota Dry Pea and Lentil Council's operating fund. The comparative statement of revenues and expenditures is a combined statement to give the users an overview of the agency's activity.

C. BASIS OF PRESENTATION

North Dakota Century Code 4.1-44-04 requires certain commodity promotion groups to prepare a report for the legislative assembly. As part of this report the applicable commodity groups are required to prepare a single-page uniform statement of revenues and expenditures.

Revenues and expenditures on the comparative statement of revenues and expenditures are reported on the modified accrual basis of accounting which is generally accepted accounting principles (GAAP) for governmental fund types.

Under the modified accrual basis of accounting revenues are recognized when susceptible to accrual (i.e. measurable and available). Measurable means the amount can be determined, available means due and collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Revenues are considered available if they are collected within a year after fiscal year end. Expenditures are recorded when goods or services are received. Exceptions include: principal and interest expenditures which are recorded when due and compensated absences which are recorded when paid.

D. GAAP REPORTING DIFFERENCES

GAAP financial statements would include a balance sheet. GAAP financial statements would also provide additional note disclosures.

NOTE 2 | RELATED PARTIES

The North Dakota Dry Pea and Lentil Council contracts with Northern Pulse Growers Association and the USA Dry Pea and Lentil Council to implement and administer programs intended to contribute to the betterment of the North Dakota dry pea and lentil industry. Such programs include, but are not limited to: research, education, publicity, promotion, and transportation. The Northern Pulse Growers Association also provides the North Dakota Dry Pea and Lentil Council with administrative, financial, and reporting services. Payments under the contracts with Northern Pulse Growers Association and with USA Dry Pea and Lentil Council for the two-year period ended June 30, 2022 were \$1,353,052 and \$1,072,443 respectively.

NOTE 3 | OTHER SIGNIFICANT ITEMS

Council has cash and investment reserves of \$1,181,768 and \$1,345,991 at June 30, 2022 and June 30, 2021, respectively. Based on the average monthly expenditures for fiscal year 2022 and 2021, this amount represents approximately 10.67 and 14.45 months of expenditures, respectively.

**Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters Based
on an Audit of Financial Statements Performed in Accordance
With Government Auditing Standards**

Independent Auditor's Report

Members of the Legislative Assembly

Members of the North Dakota Dry Pea and Lentil Council

Mr. Kim Saueressig, Chairman, North Dakota Dry Pea and Lentil Council

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Comparative Statement of Revenues and Expenditures of the ND Dry Pea and Lentil Council, for the two-year period ended June 30, 2022, and the related notes to the financial statement and have issued our report thereon dated November 3, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered North Dakota Dry Pea and Lentil Council's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the North Dakota Dry Pea and Lentil Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the North Dakota Dry Pea and Lentil Council's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies,

in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the North Dakota Dry Pea and Lentil Council's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Findings, Recommendations and Management's Response

Finding 2022-01 – Revenues and Expenditures Applied to Incorrect Fiscal Year

Condition

The North Dakota Dry Pea and Lentil Council did not record revenues and expenditures in the proper period. There was one expenditure totaling \$65,985 recorded in fiscal year 2022 that was for expenditures that were incurred during fiscal year 2021. This was not included on an accounts payable closing package to record this expenditure activity in the correct year. In addition, there was one deposit totaling \$74,458 recorded in fiscal year 2022 that was for assessments during fiscal year 2021. This was not included on a miscellaneous receivables closing package to record revenue activity in the correct year.

Criteria

Generally Accepted Accounting Principles (GAAP) require expenditures to be reported in the period incurred and revenues to be recorded in the period earned. In addition, OMB Policy 200 states "financial data must be reported in accordance with generally accepted accounting principles relating to year-end accruals of receipts and expenditures."

Cause

The North Dakota Dry Pea and Lentil Council did not use an accounts payable closing package to apply expenditures to the correct fiscal year. They also completed their miscellaneous receivables closing package before all prior year revenue was posted and did not make any adjustments to the closing package to account for the additional revenue.

Effect

Expenditures for fiscal year 2021 were understated by \$65,985 while fiscal year 2022 expenditures were overstated by the same amount. In addition, revenues for fiscal year 2021 were understated by \$74,458 and fiscal year 2022 were overstated by the same amount.

Recommendation

We recommend the North Dakota Dry Pea and Lentil Council prepare and submit closing packages to record expenditures and revenues in the correct fiscal year.

North Dakota Dry Pea and Lentil Council Response/Corrective Action Plan

The North Dakota Dry Pea & Lentil Council agrees with the recommendation. In the future, we will record all expenditures and revenues in the proper fiscal year by considering when revenues are earned and expenditures are incurred, rather than the dates that payments are due.

Governance Communication

November 3, 2022

North Dakota Dry Pea and Lentil Council
Legislative Audit and Fiscal Review Committee

We have audited the Comparative Statement of Revenues and Expenditures of the North Dakota Dry Pea and Lentil Council Fund, for the two-year period ended June 30, 2022 and have issued our report thereon dated November 3, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 14, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the North Dakota Dry Pea and Lentil Council are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the two-year period. We noted no transactions entered into by the North Dakota Dry Pea and Lentil Council during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statement in the proper period.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements as detailed below.

Comparative Statement of Revenues and Expenditures Effect:

1. The Dry Pea and Lentil Council recorded expenditures incurred during Fiscal Year 2021 in Fiscal year 2022.

2021

<u>Account</u>	<u>Debit</u>	<u>Credit</u>
Operating Fees and Services	65,985	
Cash at BND		65,985

2022

<u>Account</u>	<u>Debit</u>	<u>Credit</u>
Cash at BND	65,985	
Operating Fees and Services		65,985

2. The Dry Pea and Lentil Council recorded revenue earned during Fiscal Year 2021 in Fiscal year 2022.

2021

<u>Account</u>	<u>Debit</u>	<u>Credit</u>
Cash at BND	74,458	
Assessments		74,458

2022

<u>Account</u>	<u>Debit</u>	<u>Credit</u>
Assessments	74,458	
Cash at BND		74,458

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 3, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the North Dakota Dry Pea and Lentil Council's financial statement or a determination of the type of auditor's opinion that may be expressed on that statement, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the North Dakota Dry Pea and Lentil Council's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the North Dakota Dry Pea and Lentil Council, management of the North Dakota Dry Pea and Lentil Council, and the Legislative Audit and Fiscal Review Committee, and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Lindsey Slappy, CPA
Audit Manager
