DIFFERENT

INSTRUCTIONS:

1. Complete the **Student Work Sheet: Post-Secondary Planning Activity**.
2. Find a partner who has also completed the **Student Work Sheet: Post-Secondary Planning Activity** (*preferably their chosen career has a post-secondary option different from your career*)
3. Compare your researched careers; what's alike? What's different?
4. Search for these components and enter the information in the appropriate area above:

State Average Entry Level Salary	ND Employment Outlook
Required Certificate/On –the-Job-Training/Degree	License Required
Total Required Years or Months of Education	Total Cost of the Required Education at a ND School
Schools/Colleges that offer a related program or major	Other:
