

CTE IN MEMORIAL HALL

State Capitol Building
Bismarck, ND

January 23-26, 2017

Guidelines for Exhibits

Goals for the Exhibits:

- Provide an opportunity for CTE students and CTSO members to demonstrate and explain programs, projects and CTE impact to Legislators and others.
- Help legislators and others experience hands-on demonstrations to learn about the quality education that is taking place in ND CTSO and CTE programs.

Types of Exhibits Wanted:

- Interactive, working demonstrations/displays of student's work.
- Hands-on exhibits that get legislators and others involved.

Important Messages That CTSO Exhibits Should Communicate:

- CTE provides unique opportunities for students to foster the development of leadership, collaboration, strategy, accountability, creative and critical thinking skills needed to be successful in and out of the workplace.
- CTSO's offer the opportunities for young leaders to work with and help others be more successful.

Important Messages That CTE Program Exhibits Should Communicate:

- CTE can be the route to exciting, well-paid careers in many fields, including those in a variety of high-tech, health, and other emerging career fields.
- CTE teaches language, math, and science skills in the context of career interests.
- CTE expands a student's career options by helping students develop transferable skills and universal workplace attitudes.
- Investment in CTE is a good investment in the future of North Dakota.
