Note: ANNUAL collection activity in North Dakota. The figures must represent the amount of funds collected from North Dakota residents only, for a 12-month period ending December 31 of each year, as well as the most recent quarter end prior to this renewal application. The amount outstanding at year end should represent the amount of funds the company is attempting to collect in North Dakota for the date specified. The number of accounts must represent how many separate debtor accounts comprise the outstanding amount for the same period specified.
