NAME CHANGE – FRONTIER TRUST COMPANY, FARGO

Chairman Entringer indicated on March 31, 2014, the Department received the Articles of Amendment from Frontier Trust Company, Fargo, to change its name to Ascensus Trust Company, Fargo.

Chairman Entringer explained that Ascensus is a very large third-party record keeper for trust companies and employee benefit plans. Chairman Entringer continued that Ascensus is the immediate parent of Frontier Trust Company and the name change would reflect the uniformity between the two.

It was moved by Member Daniel, seconded by Member Baerwald, and carried by a vote of 6 to 0, with Member Beall absent, to approve the Articles of Amendment for Frontier Trust Company, Fargo, to change its name to Ascensus Trust Company, Fargo.

2014 ANNUAL ASSESSMENT POLICY FOR STATE-CHARTERED BANKS, TRUST COMPANIES

Chairman Entringer referred to his Memorandum dated May 9, 2014, and highlighted the following changes to the Administrative Salaries and Benefits: the Commissioner’s salary was reduced from 75% to 70% since more time is allocated to the credit union division; the Assistant Commissioner’s salary was increased from 35% to 40% due to processing more applications; and the Chief Examiner – Banks’ salary was reduced from 100% to 97% due to conducting money transmitter examinations.

Chairman Entringer reviewed the three projections provided by Joan Becker, Director of Administration, which detailed the granting of a 12.5%, 15%, or 20% assessment discount to state-chartered banks.

In reference to Member Quale’s question as to whether an assessment discount would also apply to the Bank of North Dakota, Chairman Entringer explained it would not since the Bank of North Dakota is now being phased into the assessment schedule; adding this will be the second year the Bank of North Dakota is paying a higher assessment which is 75% of what they will pay when fully phased in.
Chairman Entringer indicated the Department recently completed an examination of the Bank of North Dakota, and explained they do not expect additional growth this year.

Chairman Entringer indicated the Board needs to approve the State-Chartered Bank and Trust Company Annual Assessment Policy, along with a possible discount. Chairman Entringer indicated he recommends approval of the 20% discount. Chairman Entringer explained the Department budget will be approximately $7 million and the Department does not want to have too much carryover in the bank and credit union division budgets since any excess above 20% of the Department budget would go to the State’s General Fund.

It was moved by Member Quale, seconded by Member Larson, and carried by a vote of 6 to 0, with Member Beall absent, to approve the State-Chartered Bank and Trust Company Annual Assessment Policy, along with granting a 20% assessment discount to state-chartered banks.
