BANK OF NORTH DAKOTA – CERTIFICATES TO BE ELIGIBLE FOR PLEDGING

Chairman Preszler indicated the Board should have a copy of the January 29, 2001, letter from Edward Sather, Senior Vice President, Bank of North Dakota. He indicated Mr. Sather is requesting approval by the State Banking Board to allow certificates of deposit drawn on the Bank of North Dakota to be approved as eligible securities for pledge in accordance with North Dakota Century Code Section 21-04-09. Chairman Preszler reviewed this part of the Code with the Board, and talked about the procedures necessary to allow this type of investment. He indicated the Legislature authorized the State Banking Board to approve other types of investments, which are eligible for pledge. Chairman Preszler explained the reason for the request is that sometimes banks have securities that mature and until the final funds are received or settled for a new security, the funds remain on deposit at the Bank of North Dakota. Financial institutions at times
need these investments to pledge for public funds. Chairman Preszler indicated he would recommend the request be approved.

After further discussion, it was moved by Member Moldenhauer, seconded by Member Petersen, and carried by a vote of 5 to 0, with Members Eckroth and Zeltinger absent, to approve the request by Edward Sather, Senior Vice President of the Bank of North Dakota, to allow certificates of deposit drawn on the Bank of North to be eligible for pledging.
