Waiver~ (96 slots)

Enrollment/Utilization for January-March 2019

Voucher (53 slots)

Medicaid State Plan Applied Behavior Analysis (ABA) Services

Children enrolled in the waiver also receive Medicaid State Plan services. Between July 2017 and March 2019, $307,677 was expended for State Plan services provided to these children (not including ABA services, which are reported separately on this document).

*As of March 31, 2019.
**AT=received assistive technology between 1/1/19-3/31/19.
^RC=received respite care between 1/1/19-3/31/19.
^^SM=received service management between 1/1/19-3/31/19.
~~Number of letters sent to families in March 2019 who had not made a purchase within 180 days of enrollment.

When applied behavior analysis services were added to the Medicaid State Plan, skills training, program monitoring and oversight and the evidence-based team were removed from the waiver, which will decrease waiver expenditures.
