

# Having Trouble Finding Qualified Employees?

The ND Division of Vocational Rehabilitation (DVR) is sponsoring two meetings to hear from employers. The goal is to help employers find skilled, qualified individuals to fill vacancies while helping people with disabilities gain or retain employment. DVR can add value to businesses and employers by addressing staffing challenges and needs.

## Attend the Employer Comments Meetings!

Discussion to include:

- ~challenges faced in recruitment and retention
- ~resources utilized for employee injuries, illnesses, and/or impairments
- ~utilization of workforce development partners
- ~roles of adult basic education, Job Service ND, and DVR in recruitment and retention strategies
- ~most effective strategies to reach employers

Can't make the meetings, but would like to comment?
