

# Course Trouble Shooting Tips:

---

We suggest that you use **Internet Explorer** to view this course.

This course is published in Adobe Flash. If you are having trouble viewing the course, please make sure your version of Adobe Flash Player is the newest version.

## How do I tell if I have the latest version?

<http://helpx.adobe.com/flash-player.html> Any Flash version over 11 should be fine.

## What if I need to download a newer version?

<http://get.adobe.com/flashplayer/>

## What if I have an IPAD or a different type of tablet?

If you have a tablet that plays flash files the course will load on the machine.

If you have an IPAD you will get a request to download a free App which will allow the course to play.
