DVR is here for you if...

- You have a medically documented disability that is making it hard for you to get or continue work.
- You need some specific services to get into work.
- You want to work to the best of your capacity.
- You are ready to make some good choices to get your life moving in the right direction.

DVR is not the place you are looking for if...

- You don't have a disability.
- You don't want to work.
- You want VR to help you get disability exemption.
- You came here to get other services like food stamps.
- You are being forced to be here and do not want to be here.
- You are not ready to move toward employment that is right for you.

Quality Workers and Quality Work drive North Dakota's economic engine.

At DVR, we want to provide the right mix of services that will make you an active participant in our state's growing economy.

After all, when it comes to employment, it should always be about your **ABILITIES...**

It Really Works.

We are the North Dakota Division of Vocational Rehabilitation (DVR) and we are the leaders in disability-related solutions. DVR assists eligible individuals with disabilities in improving their employment opportunities.

Our counselors work with you to develop an Individual Employment Plan that is based on your interests, needs, abilities, and capabilities. You make informed choices based on the goals of your plan.

Quality Workers and Quality Work drive North Dakota's economic engine. At DVR, we want to provide the right mix of services that will make you an active participant in our state's growing economy.

Your success is our ultimate goal!

You benefit from services offered in **6** broad groupings.

- 1 Evaluation** - medical, psychological, education, work
- 2 Vocational Guidance and Counseling** - interest testing, evaluations of strengths and the effects of your disability on your work, planning and implementing corrective strategies, and helping you to adjust to and live with a disability
- 3 Training** - on the job, job coaching, job mentoring, academic
- 4 Employment** - develop resume writing skills, develop interview strategies, job referral, placement, follow-up
- 5 Accommodations** - adaptive aids, assistive technology, accessibility and work site evaluations, and ADA issues
- 6 Restorations** - (medical, psychological) treatment, orthotic and prosthetic devices, and other types of accommodations

DVR can help you find out what your interests and abilities are so you can determine a career path.

We can help you figure out what barriers to employment you may have and how to change or minimize these barriers.

Plus, DVR can help you figure out what services you need to get into employment and how to obtain those services.
