

Payment Procedure for Motor Vehicle Repairs ND Division of Vocational Rehabilitation

The following payment procedure must be followed in all instances where Vocational Rehabilitation (VR) assists eligible individuals with motor vehicle repairs:

1. The amount will be negotiated based on the criteria found in NDVR Operational Policy on Maintenance, Transportation and Vehicle Repair, NDVR OP 12-02.
2. The total lifetime amount that a client can receive for vehicle repair is \$1000.
3. Any exceptions to exceed that amount, which should be rare, must have written approval from the Regional VR Administrator.
4. The written approval must contain the rationale for approval and be placed in the record of service.
