

# Jenga Questions Game Instructions

## **Materials Needed:**

Jenga game  
Permanent Marker  
Small Prize (optional)

On the blocks of the Jenga game, the instructor will write different questions for the students to answer. These questions should help the students to get to know themselves or help them to think about different occupations.

When students pull out a block, they are required to read and answer the question for it to count.

Each block answered scores the student one point, and the student with the most points at the end of the game wins.

## Jenga Game Questions

(The questions you will see on the blocks)
