Advance registration is not required. However, there is a limit of 100 inbound phone lines for each call. Provider office staff is encouraged to convene in a single location and place a group call to enable participation by as many provider offices as possible.

Providers are also encouraged to e-mail questions in advance of each call to [MMISinfo@nd.gov](mailto:MMISinfo@nd.gov) by 5 p.m. (CT) on Mondays to ensure Department staff has adequate time to gather responses.

All questions answered and information shared during the weekly phone calls will be compiled into a Frequently Asked Questions (FAQ) format and posted online at [www.nd.gov/dhs/info/mmis.html](http://www.nd.gov/dhs/info/mmis.html).
