Human Services hosts grant stakeholder meeting Dec. 7 in Bismarck

BISMARCK, N.D. – The North Dakota Department of Human Services' Medical Services Division is holding a Money Follows the Person grant stakeholder meeting **Tuesday, Dec. 7, 2010**, from **1 p.m. to 4 p.m.** in **meeting room B** at the **Bismarck Public Library**, 515 N. Fifth St. The public is welcome to attend.

Stakeholders act in an advisory capacity to the department and receive quarterly updates on grant activities, which are focused on community-based services for individuals with disabilities. Grant funds help eligible individuals transition from institutions to community settings.

Agenda items include discussion on the transition process, an update on successful transitions, a budget overview, recommendations from the Centers for Medicare and Medicaid Services, awareness of home and community-based services, nursing quality support, and local contact agency funding. Transition coordination staffing, outreach services, training, housing needs, and operational protocol amendments will also be discussed.

Individuals who need accommodations to participate in the meeting or who have questions can contact Jacob Reuter at 701-328-2321, jwreuter@nd.gov, through Relay ND at 800-366-6888 or 711.

The federal government awarded the Department of Human Services the 5-year, \$8.9 million grant in 2007. Adult Medicaid clients who are elderly or who have physical or other disabilities and who live in nursing homes, the Developmental Center, or other institutions may qualify for transition services. Participation is voluntary.

Since transitions began in 2008, 43 individuals have transitioned to community settings.
