Money Follows the Person Grant Stakeholder Meeting is Sept. 11 in Bismarck

BISMARCK, N.D. – The N.D. Department of Human Services' Medical Services Division is holding a Money Follows the Person grant stakeholder meeting on Tuesday, Sept. 11, 2012, from 1 to 4 p.m. in the Pioneer Room at the Capitol. The public is welcome to attend.

Stakeholders act in an advisory capacity to the department and receive quarterly updates on grant activities, which are focused on community-based services for individuals with disabilities. Grant funds help eligible individuals transition from institutions to community settings.

Agenda items include discussion about the current transition benchmarks, housing initiative, options counseling program, adult protective services, nurse quality program, rental gap assistance, and the grant's budget. Additional agenda items include an update on the Money Follows the Person N.D. State Hospital transition assistance fund, N.D. Developmental Center Transition Task Force, outreach to nursing facilities, and the Housing and Urban Development 811 PRA grant application submitted by the N.D. Housing Finance Agency. Other business may also be discussed.

Individuals who need accommodations to participate in the meeting can contact Jacob Reuter at 701-328-2321, jwreuter@nd.gov, or Relay ND at 1-800-366-6888.

The federal government awarded the N.D. Department of Human Services an \$8.9 million Money Follows the Person grant in 2007. Medicaid clients who are elderly or have physical or other disabilities and who live in nursing homes, the Developmental Center, or other institutions may qualify for transition services. Participation is voluntary. Since transitions began in 2008, 114 individuals have transitioned to community settings.
