## **Educational Seminar for Direct Care Workers to be Held in New Rockford**

BISMARCK, N.D. – The N.D. Department of Human Services' Medical Services Division will hold an educational seminar in New Rockford on Monday, Feb. 11, 2013, from 2 to 4 p.m. for current qualified service providers and anyone interested in being an in-home caregiver. The event is at the Eddy County Social Service office, 22 S. Ninth St. Individuals from Eddy, Foster, Griggs, and Wells counties can participate in the meeting.

Qualified service providers are friends, neighbors, family members, and others who provide in-home care to older adults and people with disabilities so they can continue to live in their own homes and communities.

The meeting will include an interactive online demonstration on how to complete enrollment forms and billing documents, an overview of programs and services available through the department that support independent living, and a review of provider rates and reimbursement requirements. There will also be a discussion about how to become a qualified service provider, as well as the responsibilities associated with being a caregiver.

Anyone interested in attending is encouraged to preregister by contacting Katie Yantzer, direct service workforce development coordinator, at 1-800-755-2604, ND Relay TTY 1-800-366-6888 or [keyantzer@nd.gov](mailto:keyantzer@nd.gov).

The department has created a video highlighting the experiences of people providing services for clients as qualified service providers. The video is online at [www.nd.gov/dhs/services/adultsaging/providers.html](http://www.nd.gov/dhs/services/adultsaging/providers.html).
