2014 N.D. Autism Conference logo contest winner selected

BISMARCK, N.D. – N.D. Department of Human Services’ 2014 Autism Conference organizers announced today that Grant Frederickson won the conference logo design contest. Frederickson will be able to choose a prize from a selection of donated items.

In July, organizers invited the public to view and vote online for their favorite design depicting how autism impacts lives, or the conference theme: “Getting Started.” Frederickson’s entry received over half of the votes. His winning entry can be viewed online at the conference website www.dce.ndsu.nodak.edu/conferences/ndautism/.

The upcoming statewide Autism Conference, Oct. 20-22, 2014, in Bismarck, features nationally-recognized experts and has programming for parents and health and human services professionals. Individuals are encouraged to visit www.dce.ndsu.nodak.edu/conferences/ndautism/schedule/ for a schedule of speakers.

Information about autism services is on the N.D. Department of Human Services’ website at www.nd.gov/dhs/autism/index.html.
