Governor's Prevention Advisory Council on Drugs and Alcohol to meet May 7

BISMARCK, N.D. – Members of the Governor's Prevention Advisory Council on Drugs and Alcohol will discuss legislative session outcomes related to state behavioral health priorities and other developments when they meet Tuesday, May 7, 1-4 p.m. CT, in the Pioneer Room of the Capitol at 600 E. Boulevard Ave., in Bismarck. The council supports healthy and safe communities through collaborative substance abuse prevention, education and enforcement programs and resources.

The meeting agenda also includes updates on substance abuse prevention grant efforts, coordinated prevention efforts including Vision Zero, Main Street Initiative and behavioral health initiatives in schools; and activities of related task forces and councils.

The meeting agenda also includes time for public comment before the council adjourns. The meeting agenda is available online at www.nd.gov/dhs/info/publicnotice/index.html.

The public should enter the Capitol through the south (tunnel) public entrance. Individuals who need accommodations to participate in the meeting can contact Julie Huwe at 701-328-8920, toll-free 800-755-2719, 711 (TTY) or jhuwe@nd.gov.

Council information is available on the boards and commissions section of Gov. Burgum's website or by contacting the North Dakota Department of Human Services' Behavioral Health Division at 1237 W. Divide Ave., Suite 1C, Bismarck, N.D. 58501, 701-328-8920, toll-free 800-755-2719 (ND only) or dhsbhd@nd.gov.
