Meeting Notice

Money Follows the Person (MFP) Sustainability Planning Meeting
Wednesday, Oct. 29, 2014
1 to 4 p.m.
N.D. Job Service Office - Dakota Room
1601 E. Century Ave., Bismarck

Agenda

• Mandatory Plan Activities/Discussion
  o Continue to improve and sustain MFP transition activities including out-year projections for transitions through December 31, 2017 and services through December 31, 2018
  o Indicate if the state is planning to continue to provide transition services and identify and budget for the cost to transition from the grantee’s current MFP program into a new or existing 1915(c) or other Medicaid authority for the participants interested in transitioning to the community after the last day of service funding;
  o Account for how the remainder of all rebalancing funds will be utilized prior to the end of the grant period, including new projects and updates on existing projects;
  o Engage external stakeholders in the development of the final sustainability planning process;
  o Include funds necessary to continue the submission of all MFP grant and programmatic reporting requirements as listed in the MFP Timeline.

• Optional Plan Activities/Discussion
  o Expand accessible home and community-based services
  o Develop and maintain new program activities and policies
  o Advance and preserve systems that support transitions among settings and services;
  o Design and implement or expand a comprehensive Single Entry/No Wrong Door Systems for assessing community-based Long-Term Supports and Services (LTSS);
  o Create and expand a person-centered planning and service delivery;
  o Enhance and advance employment supports for people with disabilities;
  o Expand the supply of Direct Service Workforce and adequate supply of caregivers;
  o Foster the continued development of an adequate supply of housing to support community-based living options;
  o Improve or support quality assurance quality improvement system
