## 2019 Schedule of the Money Follows the Person Grant Stakeholder Committee Meetings

In compliance with NDCC Sections 44-04-19 and 44-04-20, this provides public notice of the Money Follows the Person Grant Stakeholder Committee meetings for calendar year 2019.

Stakeholders act in an advisory capacity to the department and receive quarterly updates on grant activities, which are focused on community-based services for individuals. Grant funds assist the department in addressing direct services workforce development, increasing access to accessible and affordable housing and efforts to assist with development of person-centered culture planning. In addition, the grant is supporting the coordination of a new Innovation Accelerator Program technical assistance effort with state housing partners to measure the success of permanent supported housing in North Dakota.
