

Licensed Early Childhood Services Data

September 2016

What is this data for?

Families need information in order to make informed choices about who will care for their children while parents and guardians are working or in education or training. This information helps parents choose a child care provider that best meets their family's needs.

Serious Injuries Data

An injury is defined as "any accident or injury which occurs in the early childhood setting or as a result of care provided in the early childhood setting and results in medical attention."

Federal Fiscal Year 2014

Number of serious injuries reported in licensed child care programs	
Cuts, Bumps, Bruises and other Abrasions	148
Fractures, Sprains, or Dislocations	23
Chipped Teeth	8
Accidental Swallowings	2
Medication Administration Error	1
Bee Sting	1
Burn	1
Total	184

Child Care Deaths

In Federal Fiscal Year 2014, there was one child death in a licensed child care facility.

Substantiated Child Abuse and Neglect Cases

In Federal Fiscal Year 2014, there were three cases with a "Services Required" determination involving licensed child care providers.
