

MEDICAID AND PRIVATE HEALTH INSURANCE FOR NORTH DAKOTANS

GET PEACE OF MIND WITH MEDICAID COVERAGE

Taking responsibility for health care coverage means fewer worries. Having health care coverage gives you peace of mind – through Medicaid or private insurance:

- When you are covered, you have confidence knowing you'll get the care you need if you get sick or hurt.
- Health care coverage means you reduce the financial challenges that come with high medical bills.
- Instead of seeking routine care in the emergency room, receive quality, consistent care from health care providers you know.
- You will have access to preventive services, and medical support in case of accidents, illness or job loss.

Apply Anytime for Medicaid Expansion.

NORTH DAKOTA'S EXPANDED MEDICAID COVERS MORE LOW-INCOME INDIVIDUALS
