PREFACE

Temporary Assistance to Needy Families (TANF) "represents one of society's more important efforts to assure that financial inability to meet a child's needs shall not force a parent to surrender the satisfaction and responsibility for bringing up the child. ...the two fold purpose of TANF is to (1) make it possible for the child to remain in or return to the custody and care of his parents or relatives, ... and (2) make it possible for the child's unmet economic needs to be met." This is attempted by "...addressing the economic problems and barriers to self sufficiency that confront today's low income families" (DHS Manual, Chapters 400-10 & 400-17-01).

The **Food Stamp Program** is a uniform nationwide program intended to promote the general welfare and safeguard the health and well-being of the nation's population by raising the levels of nutrition among low-income households ... The Food Stamp Program is administered at the county level by County Social Service Boards in accordance with federal law, federal regulations and instructions prescribed by the U.S. Department of Agriculture's Food and Consumer Service" (DHS Manual, Chapter 430-01-05).

The **Medicaid Program** was authorized in 1965 during a special session of the North Dakota Legislature for the purpose of strengthening and extending the provision of medical care and services to certain groups of people whose resources are insufficient to meet such costs... The immediate purpose of the Medicaid Program is to provide an effective base upon which to provide comprehensive and uniform medical services that will enable persons previously limited by their circumstances to receive need medical care (DHS Manual, Chapter 510-05-15).

The purpose of the **Low Income Home Energy Assistance Program (LIHEAP)** is to provide assistance to eligible households to offset the rising cost of home energy that are excessive in relation to household income. Therefore, the benefits provided by North Dakota LIHEAP are not designed to pay the eligible household's total fuel costs, but rather to protect the household against the rising costs of fuel (DHS Manual, Chapter 415-05-10).

The purpose of the **Child Care Development Fund (CCDF)** is to increase the availability, affordability, and quality of child care services. The program offers federal funding to states, territories, Indian tribes, and tribal organizations in order to provide low-income families with the financial resources to find and afford quality child care for their children (DHS Manual, Chapter 400-26).

TANF

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF)

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received TANF benefits. If a recipient lived in more than one county within the year and received TANF benefits in those counties, that person was counted as a resident only for the county that authorized that family's last benefit payment during the year.

FOOD STAMPS

FOOD STAMP PROGRAM (FS)

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received FS benefits. If a recipient (or case) lived in different counties within the year and received FS benefits in those counties, that person was counted as a resident only for the county that authorized their last benefit payment during the year.

MEDICAL ASSISTANCE

MEDICAL ASSISTANCE PROGRAM (MA)

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received MA benefits. If a recipient (or case) lived in different counties within the year and received MA benefits in those counties, that person was counted as a resident only for the county that authorized that family's last benefit payment during the year. This year there were thirteen instances of missing or invalid county codes, which are not included in this analysis.

CHILD CARE

CHILD CARE ASSISTANCE PROGRAM

Note: Unduplicated count refers to cases or persons (recipients) counted once during the fiscal year regardless of the number of months during the year they received Child Care benefits. If a recipient (or case) lived in different counties within the year and received Child Care benefits in those counties, that person was counted as a resident only for the county that authorized that family's last benefit payment during the year.
