For its report, the North Dakota Department of Human Services (Department) states:

1. The proposed amendments to N.D. Admin. Code chapter 75-03-21 are not related to statutory changes made by the Legislative Assembly.

2. These rules are necessary to comply with the requirements of the Patient Protection and Affordable Care Act of 2010 and “Medicaid Program; State Plan Home and Community-Based Services, 5-Year Period for Waivers, Provider Payment Reassignment, and Home and Community-Based Setting Requirements for Community First Choice and Home and Community-Based Services (HCBS) Waivers” final rule.

3. The Department uses direct and electronic mail as the preferred ways of notifying interested persons of proposed rulemaking. The Department uses a basic mailing list for each rulemaking project that includes the county social service board directors, the regional human service centers, Legal Services offices in North Dakota, all persons who have asked to be on the basic list, and internal circulation within the Department. Additionally, the Department
constructs relevant mailing lists for specific rulemaking. The Department also places public announcements in all county newspapers advising generally of the content of the rulemaking, of over 50 locations throughout the state where the proposed rulemaking documents may be reviewed, and stating the location, date, and time of the public hearing.

The Department conducts public hearings on all substantive rule-making. Oral comments are recorded. Oral comments, as well as any written comments that have been received, are summarized and presented to the Department's executive director, together with any response to the comments that may seem appropriate and a re-drafted rule incorporating any changes occasioned by the comments.

4. A public hearing on the proposed rules was held in Bismarck on June 16, 2016. The record was held open until 5:00 p.m. on June 27, 2016, to allow written comments to be submitted. No one attended or provided comments at the public hearing. No written comments were received within the comment period. The “Summary of Comments” is attached to this report.
